Description

About us:

SuperService™ are seeking Crane and Heavy Equipment Specialists to join our Mobile Field Service Team located at Underwood.

About the role:

This position will see you as a vital and valued member of our team that inspects, repairs and maintains a wide variety of mobile and crawler cranes, plant and machinery both on-site and in the field.

To be considered for this role you should have:

- Diversity across multiple makes and models of cranes and machinery
- Capable of Field Service and Workshop requirements
- Ability to learn new equipment
- Heavy Diesel background
- Strong technical hydraulic, electrical, mechanical and diagnostics skills.
- Drivers Licence (Open) – Manual Vehicle
- High Risk Licence – Crane, Forklift, Boom, Scissor (not essential but preferred)
- Good communication skills
- Own tooling
- Attention for detail and problem solving skills
- Ability to work autonomously, alone or in a team environment

In return you will be provided an excellent remuneration including the following:

- Safe and Friendly Work Environment
- Service Vehicle
- Regular overtime
- Weekly pay
- Family friendly work hours with overtime available
- Employee recognition rewards, Birthday – Yearly Anniversary
- Variety of different equipment

$48 – $55 per hour

Applicant must be prepared to undergo a pre-employment medical including drug and alcohol screening

It would be appreciated if Recruitment Agencies do not contact us in regard to this position.
