

Motor Mechanic

Description

About us

SuperService™ is continuing to grow and are eagerly looking for an experienced Motor Mechanic to join our Underwood 4119 QLD workshop team.

About the Role:

We are keen to meet small engine specialists that have prior experience of performing basic to complex diagnostics, service repairs and maintenance. You will be required to work autonomously on a range of products from petrol to diesel vehicles including outdoor power equipment.

Additionally this role will also require you assist in other areas of the workshop on equipment disassembly, reassembly and testing as required.
